## Alle Porte Della Prigione

DISCORSO SCRITTO DAL COMP. EUGENIO DEBS

IL PRIMO MAGGIO DEL 1919

ALLA VIGILIA DI ESSERE RELEGATO

IN PRIGIONE

Compagni Operai: —

In questo giorno di primo Maggio, in questo meraviglioso 1919, le porte d'una lurida prigione federale si spalancano per ricevere me e quei miei compagni che sono rimasti fedeli al socialismo, durante l'olocausto sanguinoso della guerra. Ma, non pertanto, quale imo di fede non attestano le parole della mia compagna, compagna di causa e di prigione, Rosa Pastor Stokes?

La porta della nostra prigione è lo spiraglio per il quale entra la luce del nuovo giorno. Ogni nuova tirannia non serve ad altro che a far un nuovo ribelle da ogni malcontento.

La prigione non mi spaventa, vi sono stato altre volte. Venti quattro anni fa fui condannato a 6 mesi di carcere per il crimine di "disprezzo della corte" perchè mi servivo della "persuasione" per avvantaggiare la causa dei ferrovieri. Venti quattro anni fa!

## The Architects Behind The World Communist Conspiracy

---

*By Ron Gostick, Editor  
The Canadian Intelligence Service*

"The Architects Behind the World Communist Conspiracy strips aside the censorship veil and shows the reader who and what are back of the world Marxist revolution, now consuming Christianity and mankind. It is increasingly alarming that the great newspapers dare not, and the radio networks cannot, reveal these facts, without which no man can understand Communism. I urge every man who loves liberty to read Ron Gostick's fine, honest little book."

— Robert H. Williams, Publisher Williams  
Intelligence Summary, former U.S. Army  
Intelligence Officer.
